

Springtime in San Diego can mean only one thing

Art Alive 2018

A blaze of color, bright blossoms, and lush foliage—a garden of earthly delights—the Museum blooms again.

With 100+ floral interpretations of masterworks of art and three flower-filled days of events, *Art Alive* returns for its 37th year at The San Diego Museum of Art.

Each year, floral designers are invited into the Museum's galleries to interpret some of the greatest works in the collection, including masterpieces by artists such as El Greco, O'Keeffe, Monet, and Picasso.
