

ART ALIVE

THE MUSEUM IN FULL BLOOM
2019

Springtime in San Diego can mean only one thing.

The Museum delivers another brilliant crescendo of color this spring. With 100+ floral interpretations of masterworks of art and four flower-filled days of events, Art Alive returns for its 38th year.

Each year floral designers are invited into The San Diego Museum of Art's galleries to interpret some of the greatest works in the collection, including masterpieces by artists such as El Greco, O'Keeffe, Monet, and Picasso.
